

Two big bottoms – one black, one blue
And we all know what bottoms can do

Twice as smelly and twice as fast
Nothing worse than alien gas

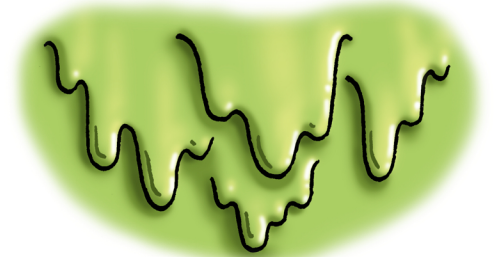

Pumping something gusting green

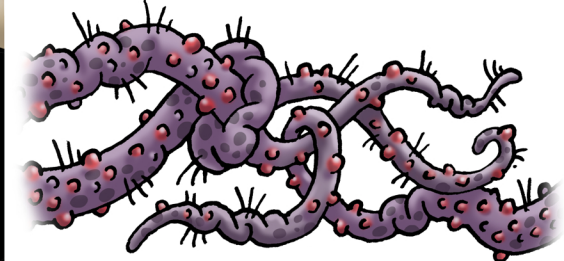

The rudest Martian ever seen!

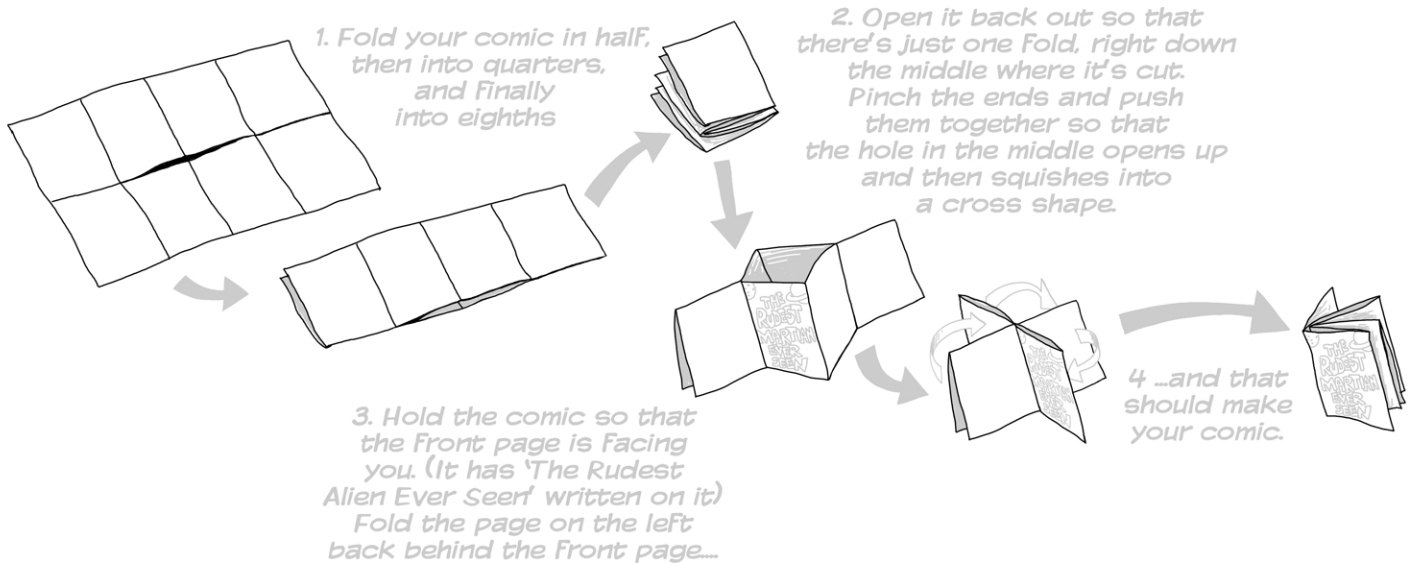

A bad taste creature from outer space
Skin like jelly and a melted face

One tail, one trunk, one tentacle
Disgustingly identical

HOW TO MAKE YOUR COMIC

Now that you've made this comic, why not create one of your own?

Here's a few starting points :

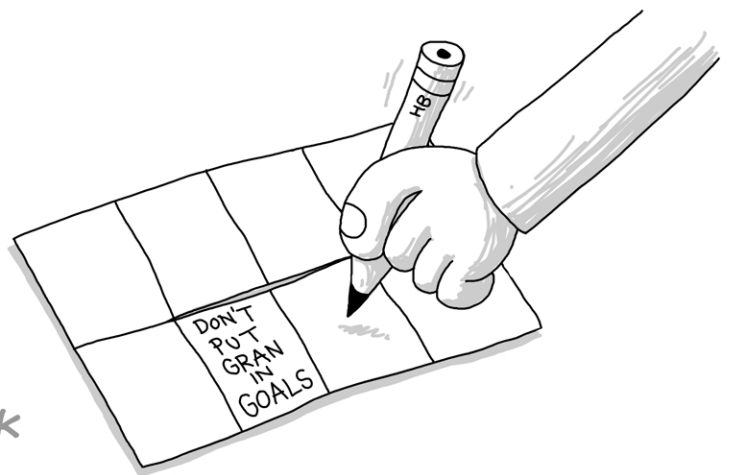

Think of a good Fun title like

Don't let dad in the kitchen

Don't put gran in goals

The day my teacher slipped

When mum got an electric shock

Think of 7 reasons why they shouldn't do this - or 7 things that happen

Put one on each page with a Funny picture ... And

Bingo ! You have your First book. Now scan it into your computer, print some off and sell them to your Friends .
